**7:30p.m.  
Tuesday, May 5th**

**Lecture Theatre,  
Colonel Gray High  
School**

Dr. Michael Rachlis, is a specialist in community medicine and associate professor of the University of Toronto's Department of Health Policy Management and Education. His book, Prescription for Excellence is described as, "a brilliantly simple solution to our health care woes that doesn't require privatization or a lot more money." Ask Dr. Rachlis how to eliminate emergency room and hospital overcrowding, etc.
